Payroll Link Sales Team Expands Inland Empire Payroll Processor Continues its Growth

With the hiring of Jackie Lumpkin as the company's newest Regional Sales Consultant, Payroll Link expands its role as a leading payroll processor in the Inland Empire. Lumpkin has a combined 14 years experience in payroll and financial services industries.

"I got to know Payroll Link over the years by working for competing firms," said Lumpkin, "and I used to speak with Payroll Link clients. I learned that the products and services delivered by Payroll Link are just superior. And I jumped at the chance to work here." Lumpkin will serve businesses in the Riverside County area as Payroll Link looks to expand its service network.

"I'm happy to have Jackie Lumpkin as part of the Payroll Link team," said Mike Demerjian, who founded Payroll Link in 1999. "Jackie brings a wealth of experience from her years working for competitors. Combine that with her knowledge of business-to-business relations, and she will be an asset to both Payroll Link and our Inland Empire business partners." Originally from Chino, Calif., Lumpkin and her family now live in Riverside.
